

# CHEVROLET ANNOUNCES BIG PRICE REDUCTION

NEW CAR GREATEST IN HISTORY  
WITH REDUCED PRICES  
ANNOUNCED

Detroit, Mich., Jan. 6.—Announcement last week of substantially reduced prices on the new 1930 Chevrolet Six, at the same time that the car embodying many distinct improvements made its public bow, created a sensation in automotive circles here.

Reductions as announced by W. S. Knudsen, president and general manager of the Chevrolet Motor Company range from \$25 to \$50 on seven of the twelve models in the 1930 line, while three new body types introduced for the first time this year are priced to parallel the new low figure on models retained in the current series. The present base price of \$495 brings the six cylinder Chevrolet to within five dollars of the lowest price at which even the four cylinder Chevrolet was ever sold.

This is made possible Mr. Knudsen explained, because 1929 was Chevrolet's greatest year, with an output of 1,350,000 sixes. Economies of precision manufacturing, plus savings effected by quantity purchase of raw materials, brought about lowered production costs, which, consistent with the Chevrolet policy, are now being passed on to the consuming public.

The new range is from \$365 for the light delivery chassis to \$675 for the sedan, as against 1929 prices of \$400 for the light delivery chassis to \$725 for the convertible landau. All prices are f. o. b. the factory, at Flint, Michigan. A table of new and old prices follows:

Model	New Price	Old Price
Roadster	\$525	\$495
Phaeton	\$525	\$495
Sport Roadster	New Model \$525	
Coach	\$595	\$565
Coupe	\$595	\$565
Sport Coupe	New Model \$625	
Club Sedan	New Model \$625	
Sedan	\$675	\$675
Sedan Delivery	\$595	\$595
Light Delivery Chassis	\$400	\$365
1-2 Ton Chassis	\$545	\$520
1½ Ton Chassis & Cab	\$650	\$625

To meet the anticipated demand as a result of the lowered prices and the many improvements in the new car, the great chain of Chevrolet plants strung across the continent is now operating at capacity to assure immediate delivery of all models, Mr. Knudsen stated.

The Coleman Chevrolet Company of Cameron has received one of the 1930 new Chevrolet models for this year.

## CAMERON MOVES AHEAD NEW HOMES BUILDING

GREEN LUMBER COMPANY REPORTS TEN NEW HOMES NOW UNDER CONSTRUCTION

Cameron is marching on despite short crops and the depression on Wall Street. Building is on the boom here and among the certainties for 1930 progress is the construction of new homes, ten now being built of material sold by the Green Lumber Company and reported by A. N. Green this week. Some of the homes have just been started and others are now being completed.

The fact that building is under way to this extent proves that conditions are better and progress is being made in Cameron and the surrounding community.

Those building homes being completed and under construction are J. H. Sapp, Cameron; Carl Black, Cameron; M. Zarosky, Cameron; August Gurecky, Cameron; John Matyastik, Cameron; Eugene Green, Cameron; Mrs. Louise Pierce, Cameron; F. M. Strohmer, Ben Arnold; E. H. Boedeker, farm; Joe Stallmach, Cameron who recently moved to this city from Ennis; Paul Matyastik, Yarrelton.

## Bells For St. Monica's Church Are Installed

Bells have been installed in the towers of St. Monica's.

The church completed two years ago has been without its bells until last week when they were received by Rev. George Apel, pastor and installed. The bells, one weighing 700 pounds and another weighing 400 pounds were purchased in Cincinnati.

The small bell is installed in memory of Joseph and Philomen Jistel.

The inscription on the larger bell, written in Latin is as follows:

I praise the true God  
I call the people  
I convince the clergy  
I bewail the dead  
I dispel the pestilence  
I grace the festival.

St. Monica's is one of the great church edifices to be erected in Texas in recent years. The church needs a pipe organ and it is a worthy charitable enterprise that should engage the attention of someone able to make the gift or for individuals to sponsor. Those who visit this church and the people at large here trust that 1930 will see this added equipment to complete this magnificent church.

## Bridge Damaged By Fire Traffic Diverted Here

Fire of undetermined origin destroyed the north-end approach to the Elm Creek bridge on the Ben Arnold road sometime in the night Wednesday.

Traffic has been diverted over the Mayfield road to reach the Ben Arnold Highway and the road leading to Waco and points north.

Judge Jeff T. Kemp and county engineer A. F. Mitchell and Commissioner Butts were informed of the fire early this morning and steps were taken to divert traffic and to make repairs on the bridge.

Up to noon nothing definite had been established as to the origin of the fire. The damage it was said would not be heavy, though some days will be required in which to reestablish traffic over that road to the north.

The theory is advanced that campers or persons stranded in the night may have built a fire, using the bridge approach as a protection against wind. Still another theory is that the bridge may have become ignited from sparks of railroad locomotives or cars passing over.

MAY LOCATE HERE AND

## J. E. Holtzclaw Named Constable To Fill Out Chas. Sens Term

J. E. Holtzclaw, former city marshal here, has been named by the Commissioners Court to fill out the unexpired term of Chas. Sens as Constable for Cameron precinct.

The appointment of Mr. Holtzclaw was announced Monday following a meeting of the court here.

Chas. L. Sens was killed in a gun battle here on December 23 by Anthony Heubner as he was responding to a call to the garage of the Hubert Hefley Motor Company. Sens had been constable here since 1918.

The appointment of Mr. Holtzclaw will be received with approval by his many friends here. He was former sheriff of Milam County and served the city as city marshal for a number of years. His experience as an officer will serve him well in this appointment and he promises the people he will enforce the law and is at their service in the office of constable.

## SOUTHWESTERN LIFE CO. LEADS IN TEXAS FIELD

S. E. BROGDON, CAMERON REPRESENTATIVE SETS OUT FACTS  
IN PAGE AD THIS WEEK

Southwestern Life Insurance Company, a Texas institution, leads in five distinct departments and this leadership is fully explained in a page advertisement in this issue of The Herald.

S. E. Brogdon, Cameron representative, who has been with the Southwestern Life Insurance Company since 1917 in connection with the announcement has the following interesting statement to make:

'From the beginning of my life insurance career it has been my ambition to carry out the principles that make up the institution of Legal Reserve, or Old Line, Life Insurance. I began with the slogan 'Service To Customers,' and I have kept it everlastingly in my work and today I am spending more money servicing old policy holders than I am spending for new business. Furthermore, I am spending more time for the benefit of old policy holders than I am spending to find new ones. All of this is done with no regret for by so doing the institution is brought to this community to make it a more decent place to live in.

'More than a thousand of my clients in this community are getting the benefit of this service at no extra cost, and the claims we have paid as a direct result of it in this vicinity will for a long time be felt and noticed. Ask your neighbor. It has been my privilege to know of certain salesmen in the past few years to solicit my friends on the basis of equal service. High sounding propositions have been offered to make them rich. Some of them even advised me how to treat my clients, even what not to tell my client. It seems like everything has happened and I am still here.

'For any information about any type of insurance matter, feel free to ask me, without obligation, for I am here to serve you in every life insurance way possible. I am asking for a part of your life insurance business in 1930 basing my claim on merit, the reputation and ability of my company, and the better welfare of this community referred to above.

Following this, Miss Grace Eplen spoke on 'The Value of Teacher-Training Courses.' Miss Eplen has taken several courses and is a Sunday school teacher of unusual ability. ### Lady Says She Obtained Relief By Taking Small Doses of Theodor's Black-Draught.

Ardmore, Okla.—"I have recommended Black-Draught to a great many people, and they always thank me, afterwards," says Mrs. Czarina Duke, 116 "B" Street, this city.

"Fifteen years ago, I was in very bad health. I suffered a great deal with indigestion, and I traveled from one place to another in search of health, but nothing helped me. I lost in weight, and my food disagreed with me, and I could scarcely eat a bite that did not give me indigestion.

"Often I had bad gas pains across my stomach, and I would wake up in the mornings with very bad headaches. I had a bad taste in my mouth, and would feel dizzy when I was on my feet.

"I began taking Black-Draught and soon found that I was getting better. I took a dose about the size of a pea, four or five times a day, for three or four days.

"After I had taken several courses of Black-Draught, in that way, I felt fine. I no longer had indigestion. I could eat what I liked, and enjoyed my meals. I gained in weight, and felt able to care for my children and do my housework."

In use nearly a hundred years. Twenty-five doses 25c. NC-213

C. Strickland, a number from a suite by Godowsky called 'Yesterdays.'

## Recanvas In Sale Of Christmas Seals

At a meeting of the Executive Board and the precinct chairmen in charge of the sale of Christmas health seals held Friday afternoon in the office of the County Superintendent at the court house, it was decided to use the follow-up method in attempting to raise a small deficit of sixty dollars in the drive. Lists were made of the names of those persons who have failed to respond in any way to the letters with stamp enclosures which were sent them several weeks ago. Committees will attempt to see these persons within the next month and either secure the stamps or their equivalent in money.

The committee agreed that a great effort should be made to raise the \$60 needed. In case it is not secured the total receipts from the drive to date, \$440.00 will have to be sent to the Texas Public Health Association at Austin, because the contract agrees that a percentage shall be kept in the county only on condition that at least \$500.00 is raised. If the total can be swelled to reach this required amount, then Milam County will keep \$300 and only \$200 will be sent to Austin. Expiration date for making final report is March 1, 1930.

## MISSIONARY SOCIETY

The W. M. S. of the Methodist church met Monday afternoon at the church for a business session, with the vice-president, Mrs. Howard Bas-

## WILLIAM HURRY

Funeral services for William Hurry, age 51 years, were held Wednesday afternoon at three o'clock from the First Baptist church, with Rev. W. P. Elliott of Buckholts officiating. Interment was in Oak Hill Cemetery, Green Brothers in charge.

Mr. Hurry, who died Tuesday, January 7, was born October 5, 1878 at Plantersville, Grimes County, Texas. He was married to Miss Annie Shaw of Washington County in 1907. To this union were born seven children, six of whom survive, the seventh having died in infancy.

He joined the Missionary Baptist church about 1907 and has lived since

then a consecrated Christian life. He is survived by his wife and six children, his father, four sisters and one brother.

Pal bearers were Willard Chapman, Dell Fuller, Grady Allen, Andy Richardson, Herbert McDonald and F. A. Marek.

President Hoover's call on the governors of the various states to ascertain what will be done in the near future in the way of public construction has revealed that Texas alone will have under way in 1930 more than half the public building that the president thought would be necessary to offset any bad effects of the Wall Street debacle.

### Mississippi Lady Tells How She Suffered Until She Had Taken Cardui on a Friend's Advice.

Greenville, Miss.—In describing how she suffered several years ago, Mrs. Mattie Dalton, of 112 Pecan Street, this city, recently wrote:

"I would cramp, and my hands and feet would draw, so I came near having convulsions. I would have to stay in bed, sometimes a week, and when I would get up, I just dragged around, and did not feel like doing my work. I suffered a great deal with my back.

"A friend came to see me and saw how I suffered. She told me to try taking Cardui, which I did. I seemed to have more strength, after my first bottle. After I had taken about four bottles of Cardui, I saw a great improvement."

"I quit having such bad spells, and was stronger and better than in a long time. I gained in weight. I took a few more bottles of Cardui, and felt so well that I quit taking it."

"I certainly can recommend Cardui, for I know what it is to suffer, and I know that Cardui helped me."

"Thousands of women have written to tell of the benefit Cardui has been to them, in helping them to build up their health."

Having helped so many others, Cardui should help you, too. NC-212

# Today

**-Chevrolet announces**

## THE GREATEST CHEVROLET IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements

which contribute to comfort, performance, endurance and safety!

An improved six-cylinder valve-in-head motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger

rear axle; Fisher non-glare windshield; larger tires—

# CHEVROLET ANNOUNCES BIG PRICE REDUCTION

NEW CAR GREATEST IN HISTORY  
WITH REDUCED PRICES  
ANNOUNCED

Detroit, Mich., Jan. 6.—Announcement last week of substantially reduced prices on the new 1930 Chevrolet Six, at the same time that the car embodying many distinct improvements made its public bow, created a sensation in automotive circles here.

Reductions as announced by W. S. Knudson, president and general manager of the Chevrolet Motor Company range from \$25 to \$50 on seven of the twelve models in the 1930 line, while three new body types introduced for the first time this year are priced to parallel the new low figure on models retained in the current series. The present base price of \$495 brings the six cylinder Chevrolet to within five dollars of the lowest price at which even the four cylinder Chevrolet was ever sold.

This is made possible Mr. Knudson explained, because 1929 was Chevrolet's greatest year, with an output of 1,250,000 sixes. Economies of precision manufacturing, plus savings effected by quantity purchase of raw materials, brought about lowered production costs, which, consistent with the Chevrolet policy, are now being passed on to the consuming public.

The new range is from \$365 for the light delivery chassis to \$675 for the sedan, as against 1929 prices of \$400 for the light delivery chassis to \$725 for the convertible landau. All prices are f. o. b. the factory, at Flint, Michigan. A table of new and old prices follows:

Model	New Price	Old Price
Roadster	\$525	\$495
Phaeton	\$525	\$495
Sport Roadster	New Model \$525	
Coach	\$595	\$565
Coupe	\$595	\$565
Sport Coupe	New Model \$625	
Club Sedan	New Model \$625	
Sedan	\$675	\$675
Sedan Delivery	\$595	\$595
Light Delivery Chassis	\$400	\$365
1-2 Ton Chassis	\$545	\$520
1 1/2 Ton Chassis & Cab	\$650	\$625

To meet the anticipated demand as a result of the lowered prices and the many improvements in the new car, the great chain of Chevrolet plants strung across the continent is now operating at capacity to assure immediate delivery of all models, Mr. Knudson stated.

The Coleman Chevrolet Company of Cameron has received one of the 1930 new Chevrolet models for this year.

## CAMERON MOVES AHEAD NEW HOMES BUILDING

GREEN LUMBER COMPANY REPORTS TEN NEW HOMES NOW UNDER CONSTRUCTION

Cameron is marching on despite short crops and the depression on Wall Street. Building is on the boom here and among the certainties for 1930 progress is the construction of new homes, ten now being built with material sold by the Green Lumber Company and reported by A. N. Green this week. Some of the homes have just been started and others are now being completed.

The fact that building is under way to this extent proves that conditions are better and progress is being made in Cameron and the surrounding community.

Those building homes being completed and under construction are J. H. Sapp, Cameron; Carl Black, Cameron; M. Zerosky, Cameron; August Gurecky, Cameron; John Matyastik, Cameron; Eugene Green, Cameron; Mrs. Louise Pierce, Cameron; F. M. Strohmer, Ben Arnold; E. H. Boedeker, farm; Joe Stallmach, Cameron who recently moved to this city from Ennis; Paul Matyastik, Yarrington.

## Bells For St. Monica's Church Are Installed

Bells have been installed in the towers of St. Monica's.

The church completed two years ago has been without its bells until last week when they were received by Rev. George Apel, pastor and installed. The bells, one weighing 700 pounds and another weighing 400 pounds were purchased in Cincinnati.

The small bell is installed in memory of Joseph and Philomena Jistel.

The inscription on the larger bell, written in Latin is as follows:

I praise the true God  
I call the people  
I convince the clergy  
I bewail the dead  
I dispel the pestilence  
I grace the festival.

St. Monica's is one of the great church edifices to be erected in Texas in recent years. The church needs a pipe organ and it is a worthy charitable enterprise that should engage the attention of someone able to make the gift or for individuals to sponsor. Those who visit this church and the people at large here trust that 1930 will see this added equipment to complete this magnificent church.

## K. of P. Officers Are Installed Here

The K. of P. lodge held their regular meeting Monday evening and installed the following officers for the coming year: Charley Nabours, chancellor commander; Cecil Wilson, vice-chancellor; W. G. ## Judge Kemp and Aug. Horstmann Bring Deer From Del Rio Range

Judge Jeff T. Kemp and August Horstmann returned to Cameron this week from Del Rio where they spent several days on a deer hunt. A proud trophy of the hunt is the head of a very large buck exhibited by Mr. Horstmann.

While in Del Rio they visited Acuna, Mexico and in the city of Del Rio met a number of old Cameron residents who are now making their home in that city, among them J. F. Chadwick, former county superintendent and Robert M. Lyles, attorney.

## Lions Club Plans For 1930 Civic Program

Discussion by members Tuesday of plans for the Lions Club in 1930 led to the appointment of a committee by Lion President Martin to arrange the details of the program for the new year.

A number of worthwhile suggestions were made and the program is to place some of them into action in 1930.

## Bridge Damaged By Fire Traffic Diverted Here

Fire of undetermined origin destroyed the north end approach to the Elm Creek bridge on the Ben Arnold road sometime in the night Wednesday.

Traffic has been diverted over the Mayfield road to reach the Ben Arnold Highway and the road leading to Waco and points north.

Judge Jeff T. Kemp and county engineer A. F. Mitchell and Commissioner Burts were informed of the fire early this morning and steps were taken to divert traffic and to make repairs on the bridge.

## MILK PLANT EXPERT INSPECTS LOCAL FIELD

D. C. KIRK OF VALLEY MILLS  
MAY LOCATE HERE AND  
OPERATE INDUSTRY

D. C. Kirk of Valley Mills, expert in the operation of milk plants, was in Cameron Tuesday to attend a meeting of the Chamber of Commerce and Cameron business men called to discuss the outlook here for the dairy industry.

Mr. Kirk expressed satisfaction over his visit here and was given encouragement by the business men. The purpose of the meeting was to impress Mr. Kirk with the possibilities of the dairy industry in this community and while he has not made any definite answer to the proposal that he take over the operation of the plant here, he is expected to give an answer soon and may come here in February to take over the plant.

If Mr. Kirk comes to Cameron the plant would begin the manufacture of cheese again under his management. P. C. Colgin will continue his work as field man for the plant.

The meeting was well attended by business men here who are interested in the dairy industry in this section.

## GEORGE RICHARDS IS CANDIDATE FOR MARSHAL

FORMER DEPUTY MARSHAL IN  
RACE FOR CHIEF POLICE  
FORCE HERE

George Richards has announced as a candidate for the office of City Marshal subject to action of the Democratic city primary election on February 4, 1930.

Mr. Richards enters the race for this office at the solicitation of friends and because he wants the office and wishes to serve the people of Cameron in this capacity. He has had experience as a peace officer, having served here as deputy marshal. Mr. Richards made the race for marshal two years ago and was placed in the run off, having been second man in the race, but declined to make the run off campaign.

Mr. Richards expects to make as active canvas of the voters as possible, asks his friends to lend their vote and support in the race. Mr. Richards is well known here and believes he can serve the people satisfactorily in this place. He promises if elected to enforce the law in an impartial and fearless manner.

## J. E. Holtzclaw Named Constable To Fill Out Chas. Sens Term

J. E. Holtzclaw, former city marshal here, has been named by the Commissioners Court to fill out the unexpired term of Chas. Sens as Constable for Cameron precinct.

The appointment of Mr. Holtzclaw was announced Monday following a meeting of the court here.

Chas. L. Sens was killed in a gun battle here on December 23 by Anthony Heubner as he was responding to a call to the garage of the Hubert Heffley Motor Company. Sens has been constable here since 1918.

The appointment of Mr. Holtzclaw will be received with approval by his many friends here. He was former sheriff of Milam County and served the city as city marshal for a number of years. His experience as an officer will serve him well in this appointment and he promises the people he will enforce the law and is at their service in the office of constable.

Up to noon nothing definite had been established as to the origin of the fire. The damage it was said would not be heavy, though some days will be required in which to reestablish traffic over that road to the north.

The theory is advanced that campers or persons stranded in the night may have built a fire, using the bridge approach as a protection against wind. Still another theory is that the bridge may have become ignited from sparks of railroad locomotives or cars passing over.

## SOUTHWESTERN LIFE CO. LEADS IN TEXAS FIELD

S. E. BROGDON, CAMERON REPRESENTATIVE SETS OUT FACTS  
IN PAGE AD THIS WEEK

Southwestern Life Insurance Company, a Texas institution, leads in five distinct departments and this leadership is fully explained in a page advertisement in this issue of The Herald.

S. E. Brogdon, Cameron representative, who has been with the Southwestern Life Insurance Company since 1917 in connection with the announcement has the following interesting statement to make:

'From the beginning of my life insurance career it has been my ambition to carry out the principles that make up the institution of Legal Reserve, or Old Line, Life Insurance. I began with the slogan 'Service To Customers,' and I have kept it everlastingly in my work and today I am spending more money servicing old policy holders than I am spending for new business. Furthermore, I am spending more time for the benefit of old policy holders than I am spending to find new ones. All of this is done with no regret for by so doing the institution is brought to this community to make it a more decent place to live in.

'More than a thousand of my clients in this community are getting the benefit of this service at no extra cost, and the claims we have paid as a direct result of it in this vicinity will for a long time be felt and noticed. Ask your neighbor. It has been my privilege to know of certain salesmen in the past few years to solicit my friends on the basis of equal service. High sounding propositions have been offered to make them rich. Some of them even advised me how to treat my clients, even what not to tell my client. It seems like everything has happened and I am still here.

'For any information about any type of insurance matter, feel free to ask me, without obligation, for I am here to serve you in every life insurance way possible. I am asking for a part of your life insurance business in 1930 basing my claim on merit, the reputation and ability of my company, and the better welfare of this community referred to above.

Miss Cora Lee McDermott, 19, daughter of Mr. and Mrs. John McDermott of Beaumont, died at 4 o'clock Thursday morning January 9, 1930 in the Cameron Hospital from burns received in an accident which occurred during Christmas night near Wayside, Tex. when fireworks being carried in the car ignited accidentally.

Her body and limbs were badly burned and slight hopes were held for her recovery following the accident. Miss McDermott had come to Cameron to spend the Christmas holidays with her grand parents, Mr. and Mrs. J. M. Burgland. On the night of the accident she was riding with Dorothy Davis, Joe Robinson and Billy Bickett. Some fireworks being hauled in the car became ignited when a roman candle exploded while being shot from the car window.

Funeral services will be held from the residence of Sam McDermott at 3:30 on Friday afternoon January 10 with interment in the Marlow cemetery. Miss McDermott was a member of the Baptist church and Rev. E. S. Hutcherson of that church will conduct the services.

Evening worship 7:15 p. m. Evangelistic sermon.

Prayer meeting Wednesday at 7:15 p. m.

Home talent was used on the program at prayer meeting last Wednesday evening. Miss Edna Radtke made a talk on 'Things We Can Do in Cameron in 1930,' in which she discussed the things that we as individuals can do. Following this, Miss Grace Eplen spoke on 'The Value of Teacher-Training Courses.' Miss Eplen has taken several courses and is a Sunday school teacher of unusual ability. There were others on the program but due to various reasons were absent. Those attending prayer meeting were given opportunity of expressing what they wished to accomplish in 1930.

All services Sunday were well attended, especially as it was the first Sunday of the New Year. The church prospered greatly the first three months of Mr. Hardigree's ministry, and we are anticipating even greater results the next three months, and all months to follow.

## PAINFUL INDIGESTION

Lady Says She Obtained Relief  
By Taking Small Doses  
of Thedford's Black-  
Draught.

Ardmore, Okla.—"I have recommended Black-Draught to a great many people, and they always thank me, afterwards," says Mrs. Czarina Doka, 116 "B" Street, this city.

"Fifteen years ago, I was in very bad health. I suffered a great deal with indigestion, and I traveled from one place to another in search of health, but nothing helped me. I lost in weight, and my food disagreed with me, and I could scarcely eat a bite that did not give me indigestion. Often I had bad gas pains across my stomach, and I would wake up in the mornings with very bad headaches. I had a bad taste in my mouth, and would feel dizzy when I was on my feet.

"I began taking Black-Draught and soon found that I was getting better. I took a dose about the size of a pea, four or five times a day, for three or four days.

"After I had taken several courses of Black-Draught, in that way, I felt fine. I no longer had indigestion. I could eat what I liked, and enjoyed my meals. I gained in weight, and felt able to care for my children and do my housework."

In use nearly a hundred years. Twenty-five doses 25¢. NC-213

Symphony Club In  
Study Of Opera By  
Thomas Wednesday

A program on the opera 'Mignon' by Thomas was heard by members of the Symphony Club Wednesday afternoon in regular session with Mrs. W. R. Hoover hostess. Mrs. A. N. Green was leader. Mrs. F. H. Beckerman gave an account of the life of Thomas and Mrs. Henry Sapp told the story of the opera.

The musical part of the program consisted of piano numbers by Miss Helen Flinn, who played two of MacDowell's pieces, 'To a Wild Rose' and 'To a Water Lily'; a vocal solo by Miss Bess DuBois, 'Psyche' by Paladilher; and a piano solo by Mrs. A. C. Strickland, a number from a suite by Godowsky called 'Yesterdays.'

Preceding the program, a business session was held with Mrs. Wilson Gunn in charge. The matter of a sponsor for the Treble Clef Club was discussed and since no one was available it was decided that the Symphony Club would withdraw its sponsorship of the junior organization. The resignation of Mrs. Paul Webb was accepted by the club.

Miss Gail Arnett, recently elected teacher of public school music in Cameron, was a visitor.

Mrs. Hoover served a salad course and hot tea.

Recanvas In Sale  
Of Christmas Seals

At a meeting of the Executive Board and the precinct chairmen in charge of the sale of Christmas health seals held Friday afternoon in the office of the County Superintendent at the court house, it was decided to use the follow-up method in attempting to raise a small deficit of sixty dollars in the drive. Lists were made of the names of those persons who have failed to respond in any way to the letters with stamp enclosures which were sent them several weeks ago. Committees will attempt to see these persons within the next month and either secure the stamps or their equivalent in money.

The committee agreed that a great effort should be made to raise the \$60 needed. In case it is not secured the total receipts from the drive to date, \$440.00 will have to be sent to the Texas Public Health Association at Austin, because the contract agrees that a percentage shall be kept in the county only on condition that at least \$500.00 is raised. If the total can be swelled to reach this required amount, then Milam County will keep \$300 and only \$200 will be sent to Austin. Expiration date for making final report is March 1, 1930.

## MISSIONARY SOCIETY

The W. M. S. of the Methodist church met Monday afternoon at the church for a business session, with the vice-president, Mrs. Howard Bas-

kin, in charge. The devotional was led by Mrs. H. N. Tate, who read as a scripture Mark 1: 1-20. There were 26 members present, including all officers who gave reports for the past year.

The ladies will meet at the church again next Monday for a lesson in the new mission study book.

## MRS. LEA HORSTMANN

Funeral services for Mrs. Lea Horstmann, age 41 years, were held Thursday afternoon, January 9, at two o'clock from the Lutheran church at Buckholts. Interment was in the Lutheran Cemetery with Coleman and Eplen in charge.

Mrs. Horstmann died suddenly at 5:30 in the afternoon on January 7, at the family home in Buckholts. She was the wife of an uncle of Bismark and August Horstmann of Cameron. She is survived by her mother and father, Mr. and Mrs. L. J. Fuchs of Buckholts, three sons, Albert of Plainview, and Hugo and Alvin of Buckholts, and one daughter, Miss Lea Horstmann of Buckholts.

## DENSON BREWER

## ALMA MARIE WHITES

Alma Marie Whites, age 26 days, infant daughter of Mr. and Mrs. Melvin Whites, died at five o'clock in the afternoon, January 1. Funeral services were held from the home on January 2, and interment was at San Gabriel with Coleman and Eplen directing.

## WILLIAM HURRY

Funeral services for William Hurry, age 51 years, were held Wednesday afternoon at three o'clock from the first Baptist church, with Rev. W. P. Elliott of Buckholts officiating. Interment was in Oak Hill Cemetery, Green Brothers in charge.

Mr. Hurry, who died Tuesday, January 7, was born October 5, 1878 at Plantersville, Grimes County, Texas. He was married to Miss Annie Shaw of Washington County in 1907. To this union were born seven children, six of whom survive, the seventh having died in infancy.

He joined the Missionary Baptist church about 1907 and has lived since

then a consecrated Christian life. He is survived by his wife and six children, his father, four sisters and one brother.

Pall bearers were Willard Chapman, Dell Fuller, Grady Allen, Andy Richardson, Herbert McDonald and F. A. Marek.

President Hoover's call on the governors of the various states to ascertain what will be done in the near future in the way of public construction has revealed that Texas alone will have under way in 1930 more than half the public building that the president thought would be necessary to offset any bad effects of the Wall Street debacle.

Mississippi Lady Tells How She  
Suffered Until She Had  
Taken Cardui on a  
Friend's Advice.

Greenville, Miss.—In describing how she suffered several years ago, Mrs. Mattie Dalton, of 112 Pecan Street, this city, recently wrote: "I would cramp, and my hands and feet would draw, so I came near having convulsions. I would have to stay in bed, sometimes a week, and when I would get up, I just dragged around, and did not feel like doing my work. I suffered a great deal with my back."

"A friend came to see me and saw how I suffered. She told me to try taking Cardui, which I did. I seemed to have more strength, after my first bottle. After I had taken about four bottles of Cardui, I saw a great improvement."

"I quit having such bad spells, and was stronger and better than in a long time. I gained in weight. I took a few more bottles of Cardui, and felt so well that I quit taking it. I certainly can recommend Cardui, for I know what it is to suffer, and I know that Cardui helped me. Thousands of women have written to tell of the benefit Cardui has been to them, in helping them to build up their health."

Having helped so many others, Cardui should help you, too. NC-212

## Make 1930 The Great Year Of Your Life

As you grow older, time seems to pass more quickly. And as you begin to think more seriously, you have a better appreciation of the fact that, generally speaking, you do not make the best use of your time as it trickles through the hour glass of the present into spent days.

So now—today—we are taking this opportunity to call your attention to the fact that you have a chance to use four or five of the best months of the year profitably—to use them in such a way as to advance all of your personal interests.

We refer to the fact that Tyler Commercial College and School of Business Administration, Tyler, Texas, has begun its thirtieth year of teaching ambitious young people most thoroughly and satisfactorily. There you can prepare yourself within a very short time to take a good position that will be open to you just as soon as you are qualified.

Successful business men and women look back upon the year when they first entered business life as their GREAT YEAR—the year when their decision to make themselves a factor in business really started them up-

**-Chevrolet announces**

## THE GREATEST CHEVROLET IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements

which contribute to comfort, performance, endurance and safety!

An improved six-cylinder valve-in-head motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger

rear axle; Fisher non-glare windshield; larger tires—

—these are typical of the many improvements which make this car the Greatest Chevrolet in Chevrolet History.

But most impressive of all from the standpoint of the motor car buyer—this smoother, faster, better Six is available—

### ---AT GREATLY REDUCED PRICES

During 1929, more than a million three hundred thousand persons bought six-cylinder Chevrolets. This enormous volume has made possible many savings in the Chevrolet factories—and, in keeping with its long-established policy, Chevrolet is sharing these savings

with the public. No written description can do justice to the extra value and quality provided in this new car. Visit your Chevrolet dealer—see this car—check its new features—ride in it—and judge for yourself the sensational value it represents.
